

### **READING & WRITING**

Increase students' achievement in reading and writing across the school.

If we apply a consistent approach to teach concepts of print then we will increase student achievement in reading and writing across the school.

### **COMMUNICATION**

Students will demonstrate individual progress in their preferred mode(s) of communication.

If we apply a whole school approach to communication assessment and pedagogy then we will increase individual student progress using their preferred mode(s) of communication.

### **SOCIAL DEVELOPMENT**

Students will develop positive relationships with peers through practising socially acceptable interactions with others.

If we develop a whole school approach to support social interaction then students will feel safe, secure and supported, and have an increased sense of wellbeing.
