## ANSS Reminders

### Pupil Free Day

A reminder that after the Term 1 School Holidays, ANSS will be having a **Pupil Free Day** on Monday, 27th April on which all staff will be participating in Training and Development.

**Term 2, 2020 commences on Tuesday, 28th April 2020** for those students who are **not able** to continue their learning at home,

### Easter Bunny Visit Brings Smiles

We are grateful for the **Variety in Action** committee who organises special events throughout the year for our students.

This volunteer group comes together to give their time, expertise and love in helping to bring a smile to the face of children in need. And that's exactly what they did last Thursday 26 March, when Easter Bunny visited ANSS to provide our students with an Easter surprise. Students Teagan, Elliot, Tyler, Nick, Alex and Eleanor represented our school admirably. It was just what we needed to brighten our spirits.

*"I understand that we are going through uncertain times and we will be there for you."*

### 2020 Student Personal Data Information

**Thank you** to families who have returned their 2020 **Student Personal Data** forms (Emergency Contacts). It is especially vital in this current environment that the school has accurate information regarding **all** ANSS families.

If you have recently changed your contact(s) or other information, please notify the school on **Ph 8254 2625** so that these important records can be updated.

### School Photographs

At this stage, **School Photo Day** has been scheduled for **Tuesday 12 May** which will be in Term 2, Week 3. As the date draws closer and we receive further correspondence, we will provide families with more detailed information.

### Thanks ☺

**Thank you** to our wonderful ANSS families for your understanding at this time. The COVID-19 pandemic has required many adjustments to our lives and has created a degree of uncertainty for many of us.

Under the direction of the department and the government, we will continue to keep you informed of the situation and how it affects our school community.

Please don't hesitate to contact us on **Ph 8254 2625** if you have any questions.
